# OPEN HOUSE

## MARCH 22, 2025 AGENDA

**DISCOVER COASTAL OPEN HOUSE** is designed to provide a glimpse into what it's like to be a student at CCU. On the following pages, you will find a schedule of activities and sessions offered during the open house. The open house begins at 10:00 a.m. with a welcome and overview of the University. After the opening session, you can attend the sessions that best suit your interests.

Discover Coastal Open House is designed to be flexible to meet your

needs; therefore, students and families are encouraged to attend separate sessions. Carefully review the agenda, and take advantage of all the opportunities available throughout the day. Please note that many sessions are repeated during the day.

Take every chance to meet people, ask a lot of questions, and imagine yourself in this community. If you have any questions, please ask any of the CCU staff you meet today.
